

Nothing Has Changed

nothing has changed .. everything is like before ..

and even more ..

I don't understand .. total confusion ..

without doing anything ..

incredible all this emotional instability ..

I wonder if this it is normal ..

however as far as I can seek .. an apparent reason ..

I realize that it does not exist ..

and if it exists .. maybe it is to be found in the power ..

of an absolute feeling .. in my head ..

but so it is .. and I like it a lot ! ..

I can do everything .. but don't lie to myself ..

I don't feel like it ..

I have never looked for justifications ..

I hope I don't have to do it now ..

I love you more than before .. this is the truth ..

only tell me that it is not the same for you ..

you tell me .. tell me .. tell meeeeeeee ! ..

and send me away .. without turning you ..

without even showing your face ..

don't be afraid to do it .. you would just do well ..

I don't have much to add ..

if not in the infinity .. and there is so much in there ..

I miss you too much .. and I couldn't ask for more ..

it's my emotional labyrinth ..

finding the way out it is up to me ..

only from me ..

and I'm not sure I want to do it .. I like it too much ..

I like you too much .. from the first moment ..

and as always: I tell you .. because I can't contain it ..

only tell me that it is not the same for you ..

you tell me .. tell me .. tell meeeeeeee ! ..

and send me away .. without turning you ..

without even showing your face ..

don't be afraid to do it .. you would just do well ..

but do it !..

I don't have much to add ..

even if I still have a lot to say ..

only in the infinity .. and there is so much in there ..

but I'm not sure I can do it ..

and maybe it wouldn't be right ..

but I hope it is right ..

I hope it is right .. right ..

nothing has changed .. everything as before ..

and even more ..

I don't understand .. total confusion ..

without doing anything ..

even if I still have a lot to say .. only in the infinity ..

and there is so much in there ..

but I'm not sure I can do it ..

and maybe it wouldn't be right ..

but I hope it is right ..

I hope is right .. right ..
